H.F. Lenz Company Names Two New Associates

January 21, 2010, Johnstown, Pennsylvania. H.F. Lenz Company has named William T. Reffner, III, P.E., and Robert G. Mickle, P.E., as Associates of the Company.

Reffner, of Vinco, joined H.F. Lenz Company in 1992, and has over 21 years of experience in Electrical Engineering. He serves as Project Engineer for numerous high-profile corporate projects throughout the United States, including recent projects for NASA Langley Research Center, Hampton, Virginia, United States Naval Air Station, Jacksonville, Florida and Praxair, Danbury, Connecticut. Mr. Reffner is a 1989 graduate of the University of Pittsburgh at Johnstown and is a Licensed Professional Engineer in Arizona, Connecticut, Massachusetts, Pennsylvania and Rhode Island.

Mickle, of Alum Bank, joined the company in 2001, and has over 23 years of experience in Electrical Engineering. Bob serves as a Project Engineer and Electrical Supervisor on the Health and Education Team. He specializes in the

design of electrical and life safety systems to support the critical operations of healthcare facilities, as well electrical system design for higher education campuses. A few of his recent clients include Children's National Medical Center, Washington, DC, Indiana Regional Medical Center, Indiana, Pennsylvania, and Nason Hospital, Roaring Spring, Pennsylvania. Mr. Mickle is a 1987 graduate of the University of Pittsburgh at Johnstown, a Licensed Professional Engineer in Pennsylvania, and a member of the Institute for Electrical and Electronics Engineers (IEEE).

H.F. Lenz Company is a 169-person engineering firm headquartered in Johnstown, with branch offices in Erie and Pittsburgh. Both Mickle and Reffner are based in the Johnstown Headquarters.
